DELAYED CLAIM OF PRIORITY**
37 CFR 1.78(a)(3)

Assistant Commissioner of Patents
Washington, DC 20231

Sir:

Applicants petition for acceptance of the accompanying Preliminary Amendment inserting a claim of priority, which includes the appropriate references required by 37 CFR 1.78(a)(2).

The entire delay between the date the claim was due under Paragraph (a)(2)(ii) of 37 CFR 1.78 and the date this claim is made was unintentional. Applicant intended to claim the priority which is requested by the accompanying Preliminary Amendment, however Applicant only recently became aware that the serial number and filing date of the priority claim appearing on the original Declaration was incorrect.
